

# On The Road

THE NEWSLETTER OF THE HANOVER ROAD ASSOCIATION, INC.

April 2010

## **Guest Speakers at the April meeting:**

**T. Bryan McIntire, Councilman**, for the Third District will be our guest. Councilman McIntire has worked very effectively with the Hanover Road Association on Zoning, Safety and Agricultural Land Preservation Issues. We are pleased to have him as our guest speaker and to discuss his vision on the future of our area.

## **Mr. Phil Humbertson the 3<sup>rd</sup> District Engineer for the Maryland State Highway Administration**

There are several proposed changes to be made along the Hanover Pike that will make for a safer highway while improving the flow of traffic. Currently there are site plans being developed for proposed improvements at the intersection of Emory Road and Hanover Pike. A storm water management pond or holding area will be constructed in the farm fields south east of the intersection. Preliminary engineering work started several years ago to upgrade this intersection to meet the increase in traffic along the Hanover Pike and at this intersection.

**Colonial Inn** – The Colonial Inn is now under new management. The new owner Jim Peang is renovating the interior and improving the appearance of the exterior and parking area. The business should be reopened the first of May. It will consist of a Tavern, Liquor Store and Pit Beef Stand.

## ATTEND THE NEXT MEETING

of the Hanover Road Association  
**Wednesday, April. 14th, 7:30**

*Location:*

*Pearlstone Conference Center  
5425 Mt. Gilead Road*
